

Andrea R. Parker

Vice President, Senior Portfolio Manager

Andrea is the fixed-income portfolio manager for The Family Office at Synovus, responsible for managing approximately \$300 million in assets. She's responsible for building and maintaining customized client bond portfolios, concentrating on managing credit, interest rate risk, and duration.

Andrea has 22 years' financial services experience – 13 years with The Family Office and nine years as a Fixed-Income Trader at Synovus. She earned a B.S. in Finance from Xavier University in Cincinnati, Ohio. Andrea is a Certified Fixed-Income Practitioner (CFIP) and Certified Treasury Professional (CTP). She is a member of the Association of Financial Professionals and the Southern Municipal Finance Society.

Currently she serves on the Board of Directors for Trees Columbus, and is a Literacy Volunteer for Boys and Girls Clubs of the Chattahoochee Valley. Andrea's previous community service includes acting as the Community Outreach Chairman for the Synovus Here Matters program.
